Lori,
Thank you! I have cc'd Laura Hall, who can help figure out schedules for Elizabeth Adams and myself. I think the idea was to have these meetings regularly so I suggest we try for ½ hour every two weeks. I know we may not be able to adhere strictly to this, but let's start there.

Hi Meredith,

Sorry for the delay in responding. I agree that the meeting should be between the six folks identified in your email.

Kurt's assistant is Lori Isbell (cc'ed here). She can help with scheduling for the CARB folks.

I appreciate you initiating these follow up meetings.

Michael,

I am following up on Samir's request for regular meetings to discuss SJV's PM2.5 plan. Elizabeth and I understood this to mean a meeting between: Samir/Sheraz, Kurt/you, and Elizabeth/me. Is that your understanding, too? Note that staff-level meetings will also be occurring. Apparently Kurt offered his admin person to help schedule these meetings. Please let me know the easiest way to get the wheels turning on this – I'm happy to reach out to Kurt's admin person if that's helpful. Thanks for your assistance on this.

Meredith
